

## **A Time for Revival**

**“Will You not revive us again, That Your people may rejoice in You?”  
Psalms 85:6**

**Our country needs revival. History records that revivals occur in times of moral darkness and spiritual apathy. Webster defines revival as, “... an awakening of men to their spiritual concerns; reawakening”. 1800’s revivalist Charles Finney said, “Revival is renewed conviction of sin and repentance, followed by an intense desire to live in obedience to God. It is giving up one’s will to God in deep humility.”**

**Many in America have had experiences of attending church, but never turned their hearts and lives over to God with total consecration. They go through the motions of serving God, but do not completely surrender. While revival often has national impact, it starts with a flame in one person’s heart.**

**Ways you can experience revival:**

- 1. Return to God with repentance for what has separated you from Him.**
- 2. Seek God in prayer, especially for unity in His body.**
- 3. Read the bible on a daily basis.**
- 4. Dedicate yourself to service in a local church body.**
- 5. Testify the gospel of Jesus to others.**

**Years ago God promised me I would be part of a major move of revival in the United States. I have been overseas and have seen great results. I have also experienced God’s working in our country, but have not seen a *major* move of revival. We are ripe for a time of revival and spiritual refreshing. Let it start with each one of us.**
